**EMRG+N+SEE Music & Arts Festival Celebrates Its Eighth Year by
Giving Portland, Oregon “An Urban Taste of the Underground”
July 15-17**

Portland, OR - The eighth annual EMRG+N+SEE Music & Arts Festival invites the creative communities of the Pacific Northwest and beyond to come together and experience “An Urban Taste of the Underground” July 15-17, 2011. EMRG+N+SEE plans to bring one of the state’s premier cultural experiences out of the Oregon countryside and into the city of Portland, emitting the unmistakable ENS vibe from several amazing indoor and outdoor locations.

As expected, EMRG+N+SEE once again brings the best and boldest flavors of the West Coast arts scene to Oregon. Attendees can expect a unique convergence of forward-thinking music, art, fashion and culture into three days and nights of music, dancing, art, and freedom of self-expression.

A hand-picked collage of musicians and DJs – from global underground legends to emerging artists to local favorites – will be representing the brand of bass heavy future sound that has taken over West coast electronic dance culture in the new millennium, including: Tipper, Lunice, NiT GriT, Funginears, Gladkill, B. Bravo, Dillon Francis, Max Ullis, Noah D, Janover, saQi, Russ Liquid, Cohen & The Sea, Vokab Kompany, Tyler Tastemaker, Solovox, Chris Sia, Behnibubu, Manoj, Barisone, Globalruckus, Vize, Doc Adam, Reva Devito, Rude Dudes and much more.

From ignition to blast off, there is something for everyone and a variety of ticket options ranging from \$12 to \$65. Ticket details at: <http://2011.emrgnsee.com/tickets/>

Venues for EMRG+N+SEE 2011 include: Refuge, Rotture, Crystal Ballroom, the Wilamette Star Vessel, and an intimate pool party at a private location shared only to festival ticket buyers.
